WHO HAS TO TAKE THE ADULT DRIVER EDUCATION COURSE?

Adult driver education is mandatory for first time drivers between the ages of 18 and 24. Adults 25 and over may take this class to complete their permit test online and save time at the DPS.

IS THE ADULT COURSE APPROVED?

Yes. Our adult driver education course meets all state standards. It includes 6 hours of study as well as a final exam that counts as the official state road rules and road signs examination.

WHAT IS THE CLASS SCHEDULE?

Since the course is available online, adult students can complete their driver education at their own pace, during times that do not interfere with their college or work schedules.

HOW DO YOU KNOW IT IS ME? DO I HAVE TO CHECK IN SOMEWHERE?

National Driver Training uses sophisticated voice biometric technology to allow our students to verify their identity with a phone call at any time of the day (or night) so they can work on driver education at their convenience.

I DO NOT LIKE TO READ. WILL YOUR PROGRAM READ TO ME?

Yes. Our adult online course includes audio accompaniment in English and Spanish at no extra charge. Our curriculum is read by professional voice actors, not a computer simulated voice.

"Good Driver Education is a gift that keeps on giving." -Jose R.

WILL I NEED TO TAKE A WRITTEN TEST AT THE DPS?

No, you will not need to take a written test at the DPS. After completing the 6 hour class, we administer the official state road rules and road signs test online. If you can not pass the test after 3 tries, you will be allowed to re-start the program at no additional charge.

HOW FAST CAN I GET MY CERTIFICATE OF COMPLETION?

We know how important it is to receive the certificate of completion in a timely manner, that is why the National Driver Training team is committed to mailing out completion certificates the next business day after program completion. Our certifying instructor's office is in Austin, so most certificates take 2 days to get to the student. Shipping by first class mail is free; however, priority mail and express mail options are available for individuals who need the certificate faster.

DO YOU OFFER YOUR ADULT ONLINE PROGRAM IN SPANISH?

National Driver Training is proud to offer the adult course in English and Spanish. Students may choose their preferred language at the time of enrollment or switch languages after enrolling. The easiest way to change your language preference is to call us toll free at 1-800-942-2050.
